What do you want to do? How long do you want to do it? When?

With whom do you propose to "study"? Has this person agreed to your project?

How much money are you requesting from the Mentoring Committee?

What do you propose to do in return for the Public Library and Trustee Section?

(Possible examples: report on your experience by making a presentation at the Section spring meeting; making a presentation at the annual conference; writing an article for the WLA Newsletter.)

What did you expect to learn from your mentoring project?

What did you actually learn?

Would you be willing to participate in a mentoring project as someone's mentor? Why, or why not?

Would you recommend the type of mentoring project you experience to someone else? Why, or why not?
