

Wyoming Library Association Awards

WLA Lifetime Achievement Award

The Lifetime Achievement award recognizes the achievements and accomplishments of a library employee throughout their library career, including service to the public and/or library community. It is also meant to reflect the goals of WLA and the library profession as a whole.

NOMINATIONS QUESTIONS & CRITERIA:

- Significant contributions to the nominee's library and local surrounding community throughout their career.
- Nominee should have been employed in a library setting for decades, regardless of system, and/or a significant time period reflective of this level of service.
- Original and innovative planning, thinking, and using resources throughout their career for special projects and/or programs.
- Advocating the library's role and position of importance in the community.
- Additional comments and supporting documentation (optional; maximum of three pages).
- Nominee in memoriam and/or one who is retiring will be considered.
