

WLA Lifetime Achievement Award 2023

The Lifetime Achievement award recognizes the achievements and accomplishments of a library employee throughout their library career, including service to the public and/or library community. It is also meant to reflect the goals of WLA and the library profession as a whole.

NOMINATIONS QUESTIONS & CRITERIA:

- Significant contributions to the nominee's library and surrounding community throughout their career.
- Nominee should have been employed in a library setting for decades, regardless of system, and/or a significant time period reflective of this level of service.
- Original and innovative planning, thinking, and use of resources throughout their career for special projects, programs, and mentorship.
- Advocating the library's role and mission in the community.
- Nominee in memoriam and/or one who is retiring will be considered.
- Additional comments and supporting documentation (optional; maximum of three pages).

Your Name and Email:

Nominee's Name and Email:

Please describe this person's significant contributions to their library and surrounding community throughout their career, including time of dedicated service and how they acted as an advocate for the library's role and mission in the community and/or statewide.

How has this individual demonstrated original and innovative planning, thinking, and use of resources throughout their career for special projects or programs and to encourage mentorship?

Questions or supporting documents (optional: up to 3 pages) may be sent to wlaawardscommittee@gmail.com or travis.pollok@wyo.gov
