

President's Report – August 2019.

I was able to fill vacancies in WLA committees, though there remain vacancies in the legislative and awards committee for the upcoming year.

As WLA President I attended the first ALA Capitol Hill Fly-In, February 25-26, 2019, in Washington, D.C. meeting directly with Senator Barrasso and Senator Enzi and representatives from Rep. Cheney's office.

I created an ad hoc bylaws committee, comprised of Debbie McCarthy, Anna Street, Abby Beaver and myself. The bylaws update were submitted to the board and the board recommended bringing the updated version to the membership for vote.

Presented awards in Sundance and Ten Sleep to WLA award winners, continuing the new tradition of presenting these within the local community.

Was not able to get to the task of updating the outdated conference book, but plan to work with Abby Beaver on this during the upcoming year. We are exploring new models for the conference to meet with changing needs of the membership.

Respectfully submitted,

Kate Mutch
