

Wyoming Library Leadership 2020

Our intent following the amazing Grad retreat of 2019 was to spread the myriad of WLLI chores among its many members. With that in mind I will report on the teams that were formed and some of their activities.

WLLI retreat planning team- After vigorously kicking off our retreat planning in September of 2019. We picked a location (Pinedale, Wyoming). Put together an application, selected attendees. During the selection process, decided that going forward we really need a selecting rubric that specifically matches the application. Richard Landreth and Darcy Accord are putting this together.

Our WLLI retreat planning team spearheaded by Rachael Svoboda found two grants. Made detailed plans and then COVID hit. We decided to cancel and rebooked for June 23, 24 & 25 of 2021. Other members of this team were; Chris Van Burg, Darcy Accord, Johanna Tuttle, Jacque Moran Strike. This committee will move forward with the same members.

Our selected applicants have had two zoom meetings and are getting to know each other ahead of the retreat!

Regional Teams- Two of our team leaders were able to gather grads together before the pandemic began. We hope to see more of this (perhaps virtually going forward).

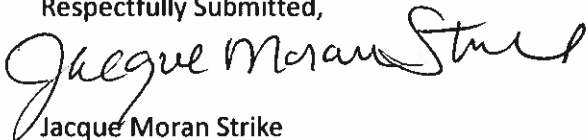

Fundraising team- Determined that the basket raffle was not doable this year, so had a donation button added to our WLA website. Donations thus far total \$375.00. Per Amigos. There was some confusion earlier, where donations that had not actually gone through were added.

Communications team- Has kept an active presence on Facebook.

Clarity of Mission Team- Suggested having a current WLLI representative, an incoming representative, and a past representative for continuity within the organization. With that in mind we will welcome our new WLLI advisor (Anna Street) at our annual meeting (Oct 9, 2020), move Jacque Strike into the past representative position and search for a incoming representative. Chris Van Burg remains WLLI representative Emeritus for life!

It's been a pleasure to serve on the WLA exec board.

Respectfully Submitted,

Jacque Moran Strike
